what others are saying

"I was impressed with Patrick's flexibility in working with our speakers committee. He tailored his keynote and breakout sessions to fit the needs of our members. He made changes and submitted information in a friendly, prompt, and accurate fashion. In short, Patrick is an inspiring speaker and business relationship building expert who takes pride in what he does."

**Holly Duckworth, CMP, Past President,
Meeting Professionals International (Oregon Chapter)**

"At the annual convention of the Michigan Association of Insurance Agents, Patrick gave a thought-provoking keynote address with an engaging follow-up breakout session and both were hits. He also did his homework before coming by talking with a handful of our members in advance which wonderfully personalized his presentations."

**Mary Gardner, Executive Vice President
Michigan Association of Insurance Agents**

"Patrick gave a keynote presentation at SEMPL, the largest media trends conference in our region, about the importance of word of mouth marketing. It was a pleasure working with him not only because of his exceptional speaking skills and high level of professionalism, but also because of his charisma and likability – his positive energy is simply contagious. Our delegates loved that he upgraded his expert knowledge with relevant examples from our markets. His ability to deliver a relevant message for a non-American audience resulted in a very engaging presentation. If you are looking for an inspiring session with a great added value for your business, Patrick should be your choice!"

**Valerija Prevorsek, Managing Director
SEMPL (Slovenia)**

"Patrick took time to speak with our members before the presentation to learn what they are doing and where they need help. His workshop received such rave reviews that I've asked him to submit a proposal for a keynote presentation at our conference next year."

**Crystal Moore, Director of Education & Network
Development, American Chamber of Commerce
Executives (ACCE)**

"In the weeks following Patrick's keynote, I received many positive comments from our life insurance agents. If you're looking for an energetic and talented speaker who will deliver a presentation tailored to your needs, Patrick is a great option."
